ESRM 429, CFR 529, FISH 529, CEE 498B/599A, PB AF 521

- 6 Oct Reclaiming the Water and Reclaimed Water's Part**
Steve Hirshey, Water Policy Analyst, King County, and
Mark Buscher, Comprehensive Planning Lead, King County Wastewater
Treatment Division
- 13 Oct Visualizing Marine Models—Puget Sound in Motion!**
Peter Oppenheimer, Research Engineer, UW Human Interface Technology Lab (HITL)
- 20 Oct Reproductive Success of Colonizing Chinook and Coho Salmon**
Joseph H. Anderson, Graduate Student, UW School of Aquatic and Fishery Sciences
- 27 Oct US Geological Survey Water Programs in Washington State**
Cindi Barton, Director, Washington Water Science Center, US Geological Survey
- 3 Nov Reality Check: Opportunities and Challenges in the World of Wetland and
Stream Restoration**
Caren Crandell, Project Manager, US Army Corps of Engineers,
Torrey Luiting, Wetland Restoration Biologist, ICF Jones and Stokes, and
Stephen Stanley, Aquatic Ecologist, Shorelands & Environmental Assistance Program,
Washington State Department of Ecology
- 10 Nov Predicting Precipitation over the Northwest: From Weather Forecasts to Climate Change**
Cliff Mass, Professor, UW Department of Atmospheric Sciences
- 17 Nov The Importance of Natural Watershed Hydrology and How to Advance It
in Urban Areas** Richard Horner, Research Associate Professor, UW College of the
Built Environment and Department of Civil and Environmental Engineering
- 24 Nov Emerging Water Quality Treatment and Flow Control Performance—Trends for
Low Impact Development Practices** Curtis Hinman, Watershed Ecologist,
Washington State University Extension Pierce County
- 1 Dec The Forsaken Fjord: Science, Society, and Biological Decline in Puget Sound v1.1**
Casey Rice, Biologist, Mukilteo Research Station, NOAA Fisheries
- 8 Dec The Puget Sound Ecosystem Portfolio Model**
Bill Labiosa, Research Scientist, Pacific Geographic Science Team,
USGS Western Geographic Science Center

fall
2009

223 Anderson Hall
8:30 a.m. to 9:20 a.m.

**Hear the lectures and see the slideshows
on the Water Center website!**

The public is welcome.

Free seminars—No registration needed.

The University of Washington is committed to providing access, equal opportunity, and reasonable accommodation in its services, activities, education, and employment for individuals with disabilities. To request disability accommodation contact the Disability Services Office at least ten days in advance at 206.543.6450 (ph.), 206.543.6452 (TTY), 206.685.7264 (fax), or dso@u.washington.edu.
